*[Proposed] Counsel for Official Committee  
 of Unsecured Creditors*

 CASH CLOUD, INC. dba COIN CLOUD,

Case No.: 23-10423-mkn

Chapter 11

**DECLARATION OF MICHAEL A. TUCKER  
 IN SUPPORT OF APPLICATION FOR  
 ORDER PURSUANT TO 11 U.S.C. §§ 1103  
 AUTHORIZING AND APPROVING THE  
 EMPLOYMENT OF FTI CONSULTING INC.  
 AS FINANCIAL ADVISOR TO THE  
 OFFICIAL COMMITTEE OF UNSECURED  
 CREDITORS RETROACTIVE TO  
 FEBRUARY 24, 2023**

**Omnibus Hearing Date: April 20, 2023  
 Omnibus Hearing Time: 10:30 a.m.**

Pursuant to 28 U.S.C. section 1746, Michael A. Tucker, declares as follows:

1. I am a Senior Managing Director with FTI Consulting, Inc. (“FTI”), an international consulting firm. I submit this declaration (the “Declaration”) on behalf of FTI in support of the

application (the “Application”) of the Official Committee of Unsecured Creditors (the “Committee”) of the above-captioned debtors and debtors-in-possession (collectively, the “Debtors”), for entry of an order authorizing the employment and retention of FTI as financial advisor to the Committee under the terms and conditions set forth in the Application. I am generally familiar with the Bankruptcy Code and the Bankruptcy Rules. Except as otherwise noted, I have personal knowledge of the matters set forth herein, and, if called as a witness, I would testify thereto.<sup>1</sup>

### I. Disinterestedness and Eligibility

2. In connection with the preparation of this Declaration, FTI conducted a review of its contacts with the Debtors, their affiliates, and certain entities holding large claims against, or equity interests in, the Debtors that were made reasonably known to FTI. A listing of the parties reviewed is reflected on Exhibit A to this Declaration. FTI’s review, completed under my supervision, consisted of a query of the Exhibit A parties within an internal computer database<sup>2</sup> containing names of individuals and entities that are present or recent former clients of FTI. A listing of such relationships that FTI identified during this process is set forth on Exhibit B to this Declaration.

3. Based on the results of its review, FTI does not have a relationship with any of the parties on Exhibit A in matters related to the Debtors or these proceedings. FTI has provided, and could reasonably expect to continue to provide, services unrelated to the Debtors’ cases for the various entities shown on Exhibit B. FTI’s assistance to these parties has been related to providing various financial restructuring, litigation support, technology, strategic communications, and economic consulting services. To the best of my knowledge and except as otherwise disclosed herein, no services have been provided to these parties in interest that involve their rights in the

---

<sup>1</sup> Certain of the disclosures herein relate to matters within the personal knowledge of other professionals at FTI and are based on information provided by them.

<sup>2</sup> For the avoidance of doubt, FTI’s computer database covers FTI Consulting, Inc. and its wholly owned subsidiaries globally.

Debtors' cases, nor does FTI's involvement in these cases compromise its ability to continue such consulting services.

4. In addition to the relationships disclosed on Exhibit B, FTI discloses the following:

- It is my understanding that creditor Genesis Global Trading, Inc. is a subsidiary of Digital Currency Group, Inc. ("DCG"). FTI and certain of its subsidiaries have been engaged by DCG to provide certain consulting and technology services (the "DCG Engagement"). The DCG Engagement is unrelated to the Debtors and their chapter 11 cases.
- It is my understanding that American Express is a creditor of the Debtors. Laureen E. Seeger, a member of the board of directors of FTI Consulting, Inc., is currently chief legal officer of American Express Company. To the best of my knowledge, Ms. Seeger does not have any professional involvement in this matter in any capacity.

5. As part of its diverse practice, FTI appears in numerous cases, proceedings, and transactions that involve many different professionals, including attorneys, accountants, and financial consultants, who may represent claimants and parties-in-interest in the Debtors' chapter 11 cases. Also, FTI has performed in the past, and may perform in the future, advisory consulting services for various attorneys and law firms, and has been represented by several attorneys and law firms, some of whom may be involved in these proceedings. In addition, FTI has in the past, may currently, and will likely in the future be working with or against other professionals involved in these chapter 11 cases in matters unrelated to the Debtors and these cases. Based on our current knowledge of the professionals involved, and to the best of my knowledge, none of these relationships create interests adverse to the Debtors' estates and none are in connection with the Debtors' chapter 11 cases.

6. FTI is not a "creditor" of the Debtor within the meaning of Bankruptcy Code section 101(10). Further, neither I, nor any other member of the FTI engagement team serving the Committee, to the best of my knowledge, (a) is a creditor, equity security holder, or insider of the Debtors; (b) is or has been within two years before the Petition Date, a director, officer, or employee of the Debtors; or (c) has any interest materially adverse to the interests of the Debtors' estates or of any class of creditors or equity security holders, by reason of any direct or indirect relationship to,

1 connection with, or interest in, the Debtors, or for any other reason. As such, to the best of my  
2 knowledge, and based upon the results of the relationship search described above and disclosed  
3 herein, FTI (i) is a “disinterested person” as defined in Bankruptcy Code section 101(14) and (ii)  
4 does not hold or represent any interest adverse to the Debtors’ estates. Therefore, FTI believes it is  
5 eligible to represent the Committee under Bankruptcy Code section 1103(b).

6 7. It is FTI’s policy and intent to update and expand its ongoing relationship search for  
7 additional parties in interest in an expedient manner. If any new material relevant facts or  
8 relationships are discovered or arise, FTI will file a supplemental declaration pursuant to Bankruptcy  
9 Rule 2014(a).

## 10 II. Professional Compensation

11 8. Subject to Court approval and in accordance with the applicable provisions of the  
12 Bankruptcy Code, Bankruptcy Rules, the local rules of this District, orders of this Court, and  
13 applicable U.S. Trustee guidelines, FTI will seek payment for compensation on an hourly basis, plus  
14 reimbursement of actual and necessary expenses incurred by FTI, including legal fees related to the  
15 preparation of the Application (if any), as approved by the Court. FTI’s customary hourly rates as  
16 charged in bankruptcy and non-bankruptcy matters of this type by the professionals assigned to this  
17 engagement are outlined in the Application. These hourly rates are adjusted periodically, typically  
18 on an annual basis. I believe that the fee structure as set forth in the Application is reasonable and  
19 comparable to those generally charged by financial advisors and consultants of similar stature to FTI  
20 for comparable engagements, both in and out of chapter 11.

21 9. To the extent FTI utilizes independent or third party contractors or subcontractors  
22 (the “Contractors”) in the provision of services to the Committee, FTI will (i) pass through the fees  
23 of such Contractors at the same rate that FTI pays the Contractors and (ii) seek reimbursement for  
24 actual costs of the Contractors only. In addition, FTI will ensure that each Contractor will file a  
25 separate declaration evidencing its disinterestedness in these chapter 11 cases as required by the  
26 Bankruptcy Code and Bankruptcy Rules.

### **No Duplication of Services**
